

December 9, 2021

Rotorcorp, LLC
3948 Aviation Circle NW
Atlanta, GA 30336

Mr. Casey,

This letter is in reference to your recent inquiry regarding the ongoing delays on your open orders. Lycoming continues to experience external supply chain and production challenges as a result of the COVID-19 pandemic. We are currently reevaluating and implementing new processes to our response plan, however delays in external parts along with the internal impact the pandemic has continued to keep us behind schedule.

We are committed to our recovery in the quickest manner possible, and we will continue to update you with any further changes. We understand the importance of your purchase and its impact to your customers and their ability to meet their mission requirements.

Please let us know if you have any questions at all. Thank you, in advance for your understanding and ongoing patience.

Regards,

Kristopher Holt
Western US & Canada Regional Sales Manager
